From Exeter on A38

Leave A38 where signs direct you to Plymouth City Centre. On reaching the first roundabout (Marsh Mills - very large!), bear left and follow signs to the City Centre.

Continue along this dual carriageway for approximately a mile and a half, and then bear left where signs point to City Centre. Continue on this road, taking left hand lane until you come to the next roundabout. Then take first left to City Centre. Keep in the **middle** lane.

On reaching next roundabout (where bombed Church is!) take second exit up hill (dual carriageway). You will notice the Drake Circus shopping mall on the left hand side. Take the first turn left, at traffic lights, after grassed area (looks like a pedestrian way only, but it isn't!) and then the Central Hall car park is on the right hand side.

It is unlikely there will be room for everyone in our car park, so the next option is the Mayflower Street car parks. To get to these, go past the grassed, and turn left at 2nd traffic lights into Mayflower Street. There are two car parks – one on left (enclosed), and one on the right which is open.

From Cornwall on A38

After crossing Tamar Bridge carry on up A38 and leave by the second slip road following directions to the City Centre, and follow the dual carriageway for between 2 and 3 miles. This will eventually bring you to Pennycomequick roundabout.

Take second exit, going uphill and under railway bridge. At top of the hill there is another roundabout. Take second exit, staying in **right** hand lane of dual carriageway. Follow this dual carriageway right down as far as the Charles Church bombed church war memorial, keeping in the right hand lane. Then come back on yourself up the other side of the dual carriageway, past the Drake Circus shopping mall, and take the first exit left after grassed area, at traffic lights, and then the Central Hall car park is on the right hand side.

It is unlikely there will be room for everyone in our car park, so the next option is the Mayflower Street car parks. To get to these, go past the grassed area, and turn left at 2nd traffic lights into Mayflower Street. There are two car parks – one on left (enclosed), and one on the right which is open.

From the Railway Station

As you come out of the railway station walk under the underpass and head for Cobourg Street. At the end of Cobourg Street you will see a very tall building on your right hand side. The Central Hall is more or less behind this building, opposite the new Drake Circus Shopping Mall.
